Living to put God's
Love into Action!

August 17, 2020

Dear Preschool Students and Families:

Welcome to Ascension & Holy Trinity Preschool and a brand-new school year! I am delighted to have you present with us for a new year of learning the exciting building blocks you need for the next steps in your child's development. My family and I moved to Cincinnati ten years ago, and our youngest, Lucas, attended A&HT Preschool the first year it was offered. Lucas had an excellent year of learning, was all set to go for kindergarten the following year. And now, Lucas is entering his first year of education at Wyoming High School. Growth and development happen quite quickly, so enjoy every moment of your children's learning.

It is safe to write that this was the most unique spring and summer season I have ever experienced. The pandemic has changed how we live together, work, travel, recreate, and learn. I assure you that our fine preschool is doing all we can for your child's safety. The overall church leadership team has collaborated with our teachers to foster the safest, as well as most educational and enjoyable time for your children. Know that we care about your children's formation and that we want what is best for them.

I serve as rector, or lead priest, and I thoroughly love witnessing to the unconditional love for all God's creation through preaching and leading our faith community. You are welcome to join A&HT Church for any of our ministries any time they are offered. Just as the preschool has needed to make adjustments, so too has the church with all of our ministries. Currently, we offer 8:00am Sunday worship outdoors on the brick patio off of the Worthington Ave. entrance. We ask that folks are seated six to eight feet apart from one another and wear face masks. (In inclement weather we cancel the 8:00 service.)

Additionally, we have 9:00am Christian education on Sundays using Zoom We post "live" 10:00am Sunday worship through our church Facebook page and our website. I invite you to check out our website at www.ascensionhollytrinity.com, and to email our office staff at office@ascensionhollytrinity.com to be added to our church email distribution list so you will know all of the loving and gracious ministries that we offer.

Again, welcome! We are glad you are here at A&HT where all are welcome because all belong!
