

School Cancellation Policy

If Wyoming School District closes or delays school
due to weather (snow, sleet, cold, etc.)
then A&HT Wyoming preschool will be
closed for the day.

You will be notified about our school closing
through the remind app. We have determined that
this form of communication is the fastest way to
pass along information. Please share this school
cancellation policy to all adults involved in
transporting your preschooler to and from school.

Thank you!
