A TRADITIONAL PRESCHOOL EXPERIENCE

Our curriculum and teaching style are based on years of proven results using the traditional teaching school methods. These methods go hand in hand with the local Wyoming school system as well as other traditional school districts.

PHILOSOPHY

We have established this preschool as an outreach of Ascension & Holy Trinity Episcopal Church to Wyoming and the surrounding communities. Our goal is to provide a safe, stimulating, and God-centered school environment that promotes the social, emotional, intellectual, and physical development of each child enrolled. Our preschool allows for creative play and exploration of the social world. Our experienced staff is committed to building character as well as loving the children where they are.

Numerous special events are planned throughout the year and may include: Halloween Party, Family Thanksgiving Feast, Christmas parties and program, Polar Express Pajama Day, Family Open House, Fire and Police Department visits, Community Helper Performance, Valentine's Day parties, Spring field trip, Art Museum + Butterfly Show field trip, Children's Art Show, and Graduation Program.
